Your letter of January 29 requested that I provide you with certain information in order that final settlement could be made on Contract AL-30-56.

Attached is a list of residual inventory. I do not have a signed receipt for this equipment, but I am sure that George will verify the fact that it was delivered to him.

No royalties were paid in the performance of this contract.

No subject inventions were made or first reduced to practice in the performance of this contract.

I hope this is sufficient information for you to close out the contract; however, if you need additional information, please do not hesitate to contact me.
